THE ONE SHOP STORY

The One Shop is an exclusive online store for return gifts and corporate gifts, founded in the year 2014. As part of our product category, we bring to you an exclusive collection of Indian Handicrafts and Handlooms - suitable for gifting.

The vision of The One Shop is to make it a hassle free experience for Indians worldwide to buy high quality gifts for any occasion, and get them delivered to their door step.

The One Shop works towards impacting the livelihood of artisans at the grassroots level, by working with them directly wherever possible.

One eStore Private Limited, the holding company of The One Shop, has been recognised with certification by the Department of Industrial Policy and Promotion, as part of Start-up India, under the Government of India. We have proudly been a Make in India company, since our inception.

GIVING BACK

We also aim to provide a boost to the artisans and weavers in different pockets of India, by providing them market access through our predictable customer demand. We directly source from the artisans and manufacturers across India. The One Shop uses a combination of technology, best management practises, supply chain and customer service to enhance the experience of both its customers and suppliers, while maximising the value for all stakeholders. This will ensure that only the best quality products are delivered to our customers on time.
